

CHAIRMANS MESSAGE

We continue with this format of our newsletter and hope it's as informative as it can be for all to read. Many thanks again to Carl Holding for putting it all together.

The 2019 season was again a successful one for the club particularly with our under 13s winning the SWJCL Cup. Our seniors continue in the South Wales Premier League after a decent campaign finishing 4th whilst our young 2nd X1 finished in the same position.

As we move into 2020 the Club will field two senior sides in the South Wales Premier Cricket League and Junior sides between the ages of 9 and 17 in the South Wales Junior Cricket League and in national Cup competitions. For the first time the Club will field an under 11's girls' team in the League.

We also launch our brand new website which will give updates on the various playing activities and also details of the season's social events. I hope you enjoy using the website and also the Club's excellent social media channels

I will look forward to seeing you all at Trinity Fields during the 2020 season

Nigel

GIRLS CRICKET

This year sees the South Wales Junior League form a new Girls only league. This is a huge step forward for girls' cricket and sport in south wales. We have been fortunate enough over the last couple of years to have several girls play within the mixed boys & girls teams but this year we will have our very own girls team where we already have a good number of girls ready to play. The initial information we have is that Festivals will be played every other Wednesday during the summer, the format is softball and pairs-based cricket.
